

### **REMARKS**

By the present amendment, claims 15-36 are pending. Claims 1-14 were previously canceled. Claims 15-36 have been amended. The specification has also been amended. No new matter has been added.

#### **Substance of Examiner Interview**

The Examiner is thanked for the opportunity to discuss the claims and the rejection in the telephone interview conducted on December 3, 2008. During the interview, the Examiner and the undersigned discussed the structure recited in the claims and the specification as well as the meaning of the claim language. Based on the suggestions of the Examiner made during the interview, Applicants have amended the specification and claims.

#### **Claim Rejections under 35 U.S.C. §112**

Claims 15-36 are rejected under 35 U.S.C. § 112, second paragraph as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Please note the heading to the rejection states claims 1-36 are rejected, however, during the Examiner interview, the Examiner confirmed that this was a typographical error and only claims 15-36 are rejected.

Claims 15-36 have been amended. Applicants respectfully submit that the claims are now definite, and request further examination on the merits of the claims. Accordingly, the rejection of claims 15-36 should be withdrawn.

### **CONCLUSION**

The Examiner is invited to contact the undersigned at 202-220-4200 to discuss any matter in connection with this application.

The Office is hereby authorized to charge any fees under 37 C.F.R. 1.16 and 1.17 to the Kenyon & Kenyon Deposit Account No. 11-0600.

Respectfully submitted,
